10		Tax paid with Form ST-810	10	

Instructions

Vendor collection credit

The vendor collection credit does not apply to this schedule.

Who must file

Schedule P must be filed by any vendor who is registered to make PrompTax payments of sales tax. The schedule is used to report the PrompTax payments of sales tax you made during the quarter covered by this schedule. If you are a vendor who is required to remit PrompTax payments for more than one sales tax type (i.e., prepaid sales tax on motor fuel and diesel motor fuel *and* sales tax) you must remit (and report) each tax type separately. Schedule P may **only** be used to report the PrompTax payment of sales tax. Use Form FT-945/1045-A, *Monthly Schedule FT,* to report PrompTax payments of prepaid sales tax (on motor fuel and diesel motor fuel).

When to file

Schedule P must be filed quarterly with Form ST-810, *New York State and Local Sales and Use Tax Return - Quarterly for Part-Quarterly Filers*. Form ST-810 is due 20 days after the end of the quarter covered by the return.

Line instructions

As a participant in the PrompTax program, each month you may pay the actual tax due for the 22-day period, or you may estimate your monthly PrompTax payment based on last year's comparable period.

If your PrompTax payment for any month was based on actual tax due for the 22-day period, enter that amount in the box labeled *actual tax due for the period* indicated (for example, June 1 - June 22, 1995). Do **not** complete this box for any period your PrompTax payment was based on last year's comparable quarter.

Since you may exercise either option **each month**, each month must be reported separately on this form (Quarterly Schedule P).

Do not compute or include any penalty or interest due on your PrompTax payments.

Line 1a — **Actual method -** If your June payment was based on actual tax due for the period (June 1 - June 22), check box A and enter in the space provided the amount of your actual tax due. Enter your PrompTax payment (electronic funds transfer or certified check) on line 1a. The PrompTax payment shown on line 1a should have equaled at least 90% of the actual tax due for June 1 - June 22, 1995.

Line 1b — **Estimated method -** If your payment was based on last year's comparable period, check box E and enter your PrompTax payment (electronic funds transfer or certified check) on line 1b. The PrompTax payment shown should have equaled at least 75% of one third of the sales tax liability for last year's comparable quarter.

Line 2 — Enter the amount of the payment remitted with your Form ST-809, *New York State and Local Sales and Use Tax Return for Part-Quarterly Filers*, for June 1995.

Line 3 — Add line 1a or 1b and line 2. This amount should equal the total sales tax payments remitted for the month of June.

Line 4a — **Actual method -** If your July payment was based on actual tax due for the period (July 1 - July 22), check box A and enter in the space provided the amount of your actual tax due. Enter your PrompTax payment (electronic funds transfer or certified check) on line 4a. The PrompTax payment shown on line 4a should have equaled at least 90% of the actual tax due for July 1 - July 22, 1995.

Line 4b — **Estimated method -** If your payment was based on last year's comparable period, check box E and enter your PrompTax payment (electronic funds transfer or certifed check) on line 4b. The PrompTax payment shown should have equaled at least 75% of one third of the sales tax liability for last year's comparable quarter.

Line 5 — Enter the amount of the payment remitted with your Form ST-809 for July 1995.

Line 6 — Add line 4a or 4b and line 5. This amount should equal the total sales tax payments remitted for the month of July.

Line 7a — **Actual method -** If your August payment was based on actual tax due for the period (August 1 - August 22), check box A and enter in the space provided the amount of your actual tax due. Enter your PrompTax payment (electronic funds transfer or certified check) on line 7a. The PrompTax payment shown on line 7a should have equaled at least 90% of the actual tax due for August 1 - August 22, 1995.

Line 7b — **Estimated method -** If your payment was based on last year's comparable period, check box E and enter your PrompTax payment (electronic funds transfer or certified check) on line 7b. The PrompTax payment shown should have equaled at least 75% of one third of the sales tax liability for last year's comparable quarter.

Line 8 — Enter the PrompTax payment for August 1995 (amount from line 7a or line 7b).

Line 9 — Add the PrompTax payments and the amounts paid with Form ST-809 for the first two months of the quarter (lines 3, 6 and 8), and enter the total on line 9. This total should be equal to the amount reported on line 2b of your Form ST-810.

Line 10 — Indicate the amount of tax paid with Form ST-810, *New York State and Local Sales and Use Tax Return Quarterly for Part-Quarterly Filers*. **Do not add** to this amount the total reported on line 9.
