# School Districts and Code Numbers

Use this list to find the name and code number of the public school district located in the county where you were a resident on December 31, 1992. (If you are a New York City resident, look for your listing after Nassau County.) Enter the school district name and code number at the top of the front of your return in the spaces provided. If you do not know the name of your school district, contact your nearest public school.

**Caution:** You must enter your school district and code number even if you were absent temporarily, if the school your children attended was not in your school district, or if you had no children attending school. School aid may be affected if the school district or code number is not correct.
