

Instructions for Form ST-809

New York State and Local Sales and Use Tax Return for Part-Quarterly Filers

ST-809-I

(9/98)

The vendor collection credit cannot be taken on Form ST-809.

Prior Tax Due

If you are forwarding a payment for tax due on a previously filed sales tax return, do not send us a copy of that return. To ensure that the payment is properly credited to your account, send a separate check or money order for the prior tax due to the New York State Tax Department, PO Box 1912, Albany NY 12201-1912. Make check payable to *New York State Sales Tax*. Include on your check or money order your identification number, the assessment number (if applicable), and the period covered by that payment.

Who Must File

You must file Form ST-809 if, in any one of the previous four quarters:

- you had total taxable receipts (including purchases subject to use tax), rents and amusement charges totaling \$300,000 or more,
- or**
- you are a distributor as defined under Article 12-A and you have sold a total of 100,000 gallons or more of motor fuel or diesel motor fuel (taxable or nontaxable).

Importers and others registered under Article 12-A as distributors of motor fuel or diesel motor fuel must also file Form FT-945/1045, *Report of Sales Tax Prepayment on Motor Fuel/Diesel Motor Fuel*, to report the sales tax prepayments due on motor fuel or diesel motor fuel. These prepayments must not be included in the taxable receipts reported on Form ST-809 or ST-810, but distributors who have used these fuels or sold them at retail may take credits on Form ST-809 (or ST-810) for the prepaid tax already paid on the fuel used or sold (see *Line 1b - Credit for prepaid sales tax*).

When to File

File Form ST-809 for each of the first two months of every quarterly reporting period, and Form ST-810 for the third month. You must file all three returns due for the quarterly reporting period even if you terminate your business activity during the quarter. Returns are due 20 days after the month covered.

If you do not receive your return by the first week of the month in which it is due, request a duplicate by calling the appropriate telephone number listed under *Need Help?* on page 4 of these instructions. **Late charges** will apply if you file late even if you did not receive your preaddressed form.

Other Forms You May Have to File

ST-809.4 - Part-Quarterly Schedule NJ

If you are registered under the New Jersey/New York Reciprocal Tax Agreement, attach Part-Quarterly Schedule NJ to your return. Use this schedule to report the tax due on deliveries of tangible personal property into New Jersey or services subject to tax in New Jersey.

ST-809.11 - Monthly Schedule CT

If you are registered under the Connecticut/New York Reciprocal Tax Agreement, attach Monthly Schedule CT to your return. Use this schedule to report the tax due on deliveries of tangible personal property into Connecticut or services subject to tax in Connecticut.

If you report tax due on either Part-Quarterly Schedule NJ (ST-809.4) or Monthly Schedule CT (ST-809.11), you must send one check payable to **New York State Sales Tax** for the amount due New York and New Jersey or New York and Connecticut. If you report tax due on both schedules, include the total due for all three states in one check payable to **New York State Sales Tax**. **Do not offset an overpayment from one state against the tax you owe to the other.**

Filing Methods

Two methods are available for monthly filing: *long* and *short*. If you have filed returns for each of the four quarters immediately preceding the month to be covered, you may use either method. Otherwise, you **must** use the long method.

Long method — You must report and pay actual state and local sales and use taxes due for the month.

Short method — You must report and pay an amount equal to one-third of the total state and local sales and use taxes that were due for the comparable quarter of the prior year, adjusted to reflect any new, increased or decreased local sales and use tax. Local taxes are reported as part of the total rather than separately.

You must also maintain complete records so that you are able to prepare and file a quarterly return (Form ST-810) showing the three months' business activities by locality. You must show the distribution to each locality on the quarterly return (Form ST-810) and on Schedules A, B, FR, N, N-ATT, and U as necessary. You must also complete Part-Quarterly Schedule NJ and Monthly Schedule CT, if applicable.

Filing Instructions

Two copies of Form ST-809 are mailed to each business or individual registered as a part-quarterly sales tax filer with the New York State Department of Taxation and Finance. **On the copy you file, place the enclosed peel-and-stick preaddressed label in the name and address portion, as indicated on the return. Keep the other copy for your records.**

If you did not receive a return with a preaddressed label, please complete the name and address portion, including your sales tax vendor identification number.

Enter the exact legal name of the business. For a corporation, use the name as it appears on the Certificate of Incorporation; for an unincorporated business, use the name in which the business owns property or acquires debt; for a partnership, use the partnership name; for a sole proprietor, use the name of the individual owner.

Enter the trade name, doing-business-as (DBA) name, or assumed name if different from the legal name. For a corporation, it is the name that appears on the trade name certificate filed with the New York State Department of State. If the business is not incorporated, use the name filed with the county clerk's office pursuant to section 130 of the General Business Law.

Enter your mailing address. Include your business telephone number and a number at which you can be reached during the day, if different.

Change of business information — If there have been any changes in the business name, identification number, mailing address or business address, telephone number or owner/officer/responsible person information, complete Form DTF-95.1s, *Change of Business Information for Vendors*, located at the bottom of pages 3 and 4. Send the completed form to: **NYS Tax Department, Account Services Section, Building 8 Room 501, W A Harriman Campus, Albany NY 12227-0155**. If there are currently no changes to the above information, keep Form DTF-95.1 in your files. If a change occurs, complete the form and send it to the address listed as soon as possible.

Type of business — Describe your principal business activity or type of business in the space provided (e.g., retail grocery, wholesale furniture, etc.).

Consolidated return — If you have more than one place of business, and are reporting for all business locations on this return, check the appropriate box. If you checked this box and your New York State identification number does not end with a "C," attach a list of your business locations. If your identification number ends with a "C" and you have added or deleted locations since your last return, attach a list of these and indicate **addition** or **deletion** next to each location.

Do not report on Form ST-809 the additional 5% tax imposed on information and entertainment services furnished by way of telephone and telegraph or the 5% tax imposed on passenger car rentals. You must maintain records of and report and pay these taxes on Form ST-810.

Line 4 — Interest and Penalties

Interest and Penalty Computation

Interest is always due on any underpayment of tax and is computed at the rate as determined pursuant to section 1142 of the Tax Law. It is compounded daily from the due date of the return to the date the tax is paid. Call Taxpayer Assistance at one of the numbers listed under *Need Help?* on page 4 to get the current rate. Penalty is due as follows:

Short Method Adjustment

When a local rate has been increased or decreased, multiply the total taxable sales and purchases subject to use tax reported for that locality in the comparable quarter by the difference between the new and old rates. If a new local tax was enacted since the end of the prior comparable quarter, use current records to estimate taxable sales and purchases subject to use tax in that locality for three months and multiply this amount by the new local tax rate. Total the

adjustments for all such localities and add this amount to or subtract it from the taxes due for the comparable quarter last year. Enter this adjusted total on line 1a on the front of the return. **List the names of the localities and the amount of the adjustment (show negative balances in parentheses) for each on the front of the return in the lower left corner.**

Examples:

The city "Y" increased its local tax and the county "D" decreased its local tax. If a vendor reported taxable sales for city "Y" in the prior year's comparable quarter and sales were also made in county "D" during that quarter, the adjustments would be computed as follows:

| Locality* | Combined Rate Current | Combined Rate Comparable Quarter | Increase (Decrease) | × | Taxable Sales** | = | Adjustment* | |
|--|-----------------------|----------------------------------|---------------------|---|-----------------|---|-------------|---------|
| City "Y" | 7% | 6% | 1% | | \$250,000 | | \$2,500 | |
| County "D" | 5% | 7% | (2%) | | 3,000 | | (60) | |
| Total adjustments to be added to comparable prior year's quarter | | | | | | | | \$2,440 |

* Enter information from these two columns on the front of the return in the lower left corner.

** Includes purchases subject to use tax.
