

# Instructions for Form IT-261 Claim for Empire State Film Post-Production Credit

## General information

Tax Law sections 31 and 606(qq) provide for tax credits for the film and television post-production industry. The Empire State film post-production credit is available to taxpayers subject to tax under Article 22 (personal income tax) or Article 9-A (general business corporations). Form IT-261 is for taxpayers subject to tax under Article 22. Those subject to tax under Article 9-A (including New York S corporations), should complete Form CT-261, *Claim for Empire State Film Post-Production Credit*.

The credit is based on qualified post-production costs paid or incurred in the production of a qualified film at a qualified post-production facility in New York State. For tax years beginning on or after January 1, 2015, and before January 1, 2027, there is an additional credit available equal to 10% of the wages or salaries paid to qualified individuals for services performed by those individuals in the post-production work on a qualified film in certain counties. The credit is allowed for the tax year in which the production of the qualified film is completed. If the amount of credit shown on your certificate of tax credit received from the New York State Governor's Office of Motion Picture & Television Development is at least \$1 million but less than \$5 million, the credit must be claimed over a two-year period. If the amount of the credit allocated is \$5 million or more, the credit must be claimed over a three-year period.

If the amount of the credit allowable for any tax year exceeds the tax for that year, 50% of the excess is treated as an overpayment to be credited or refunded. No interest will be paid on the refund. The remaining excess may be carried over to the following tax year and may be deducted from the tax in that year. Any excess after application in the succeeding year is treated as an overpayment to be credited or refunded. No interest will be paid on the refund.

If the film post-production credit is claimed for *qualified post-production costs*, no other income tax credit may be claimed for those costs.

The amount of credit allowed for the current tax year is allocated by the New York State Governor's Office of Motion Picture & Television Development. **Submit a copy of your certificate** from this office for the credit allowed. You are required to **submit a separate Form IT-261 for each individual certificate** issued to you by the Governor's Office of Motion Picture & Television Development. **Failure to do so may delay the processing of your credit(s)**. For rules and regulations regarding the credit, contact the New York State Governor's Office of Motion Picture & Television Development at [filmcredits@esd.ny.gov](mailto:filmcredits@esd.ny.gov) or call 212-803-2328.
