SUFFOLK COUNTY EXTENDS ITS 1/4%
ADDITIONAL LOCAL SALES AND USE TAX
THROUGH NOVEMBER 30, 2000

The additional 1/4% local sales and use tax imposed by Suffolk County was due to expire on November 30, 1989. As a result of legislation enacted by the State Legislature on September 1, 1988, Suffolk County was granted authorization to continue its 1/4% additional local sales and use tax through November 30, 2000. On December 27, 1988, Suffolk County enacted the necessary local legislation to extend the additional tax until the date authorized by the State Legislature. Accordingly, the combined state and local sales and use tax rate of 7 1/2% (4% New York State 1/4% Metropolitan Commuter Transit District and 3 1/4% county tax) currently in effect throughout Suffolk County, will remain in effect through November 30, 2000.

All taxable sales of tangible personal property and services made within the county on and after December 1, 1989, will continue to be taxed and reported as they were prior to December 1, 1989. All reporting codes and tax rates for Suffolk County, that appear on sales and use tax returns for periods beginning on and after December 1, 1989, remain as follows:
